\$2 Million Recovery for Victim of Motor Vehicle Accident

Dawn M. Pinnisi obtains a \$2,000,000 recovery for a New York City car accident victim. The Plaintiff's car was hit in the rear as she was stopped in traffic causing neck injuries that ultimately required a cervical fusion surgery. The matter was litigated in the New York County Supreme Court. This result reflects our firm's commitment to securing justice for our clients.

Motorcycle Accidents: Legal Steps to Protect Your Rights

Motorcycle accidents are tragically common and often devastating. When they result in death, the consequences for the victim's family go far beyond emotional loss—they may also face financial hardship, unanswered questions, and legal uncertainty. In New Jersey, families have legal rights to pursue compensation through a wrongful death lawsuit. But who exactly can file one? And what should families expect during the legal process?
