\$2.25 Million Dollar Jury Verdict

Following a two-week jury trial in New York City, Joseph Stimmel of Varcadipane & Pinnisi, P.C. secured a \$2.25 million dollar verdict in favor of the Firm's clients who sustained injuries as a result of a trip and fall accident. The Firm's client suffered a traumatic brain injury and chronic, post-concussion syndrome because of the accident, which significantly reduced his cognitive abilities, affected his daily living, and prevented him from returning to work. His wife also asserted a claim for loss of services and companionship as a result of her husband's injuries and limitations.

How Do Truck Accident Lawsuits Work?

Truck accident cases in New Jersey and New York often lead to severe injuries, emotional trauma, and significant financial burdens. These accidents are far more complex than standard car crashes due to the size of commercial trucks, the extent of damage, and the number of potentially liable parties involved. Navigating the legal process strategically in a truck accident claim can make all the difference in securing the compensation you deserve.
